

Imagine a world without music. What would YOUR life be like without music... without music makers... with no music to entertain, uplift, and inspire? Join the 100% Club™ and support music education in South Carolina!

“We can’t hope to merely outwork (or out-sweat) the rest of the world in the 21st century. We must be more creative, more imaginative, and more entrepreneurial. Music education, coupled with the other arts and disciplines, gives us the best chance to produce graduates who are able to compete in this new environment.”

- Dr. Jim Rex, SC Superintendent of Education
